The "GLASS CEILING" is proof that Equal Opportunity is a joke, a lie, an insult to *your* intelligence. *What are YOU going to do about it?*

**Diversity?** With regard to the "Glass Ceiling," in 2013 women accounted for only 4% of CEOs in Fortune 500 companies. Again, in 2013 women only accounted for 4% of CEOs in Fortune 500 companies. *Source: Catalyst.org*

Equally disturbing, why is there a greater percentage of women in corporate and governmental boardrooms in Russia (42%), China (31%), Canada (28%), Australia (23%), Brazil (29%), Mexico (31%), and throughout other countries in Europe and Asia than in the United States (20%)?

**Why??** *Source: Grant Thornton*

**Diversity?** As with Affirmative Action, the greatest beneficiaries of the LGBT movement are and will always be White men and White women.

**DIVERSITY?**

**NOT IN MISSOURI**

Slavery began in Missouri in 1720 and ended in 1865.

On August 9, 2014 an unarmed Michael Brown was shot and killed by a White policeman in Ferguson, Missouri. **Nothing changes.**

After the O.J. trial, you'd think those Black people would be satisfied. Hum. Guess I'll have to live with "those people" even tho' they are all . . .

**Not all White people are racist, but . . .** as reported in the June 2014 issue of "The Atlantic" magazine the clear majority of White people continue to embrace, promote, and actively sustain their "White privilege" and related supremacy over Black people and other people of color, and they have absolutely no interest or intent to relinquish their White supremacy and actively embrace egalitarian principles, which is necessary to secure true equality for all people.

**FACT:** Even before admission to the Union in 1867, White people, *and only White people* have consistently been in complete control of the formal education of Black students in Missouri for more than 191 years, but the educational performance of Black students has never equaled or surpassed the performance of White students. As reported by the *Schott Foundation for Public Education*, Black males have the lowest graduation rates from high schools in **Missouri**, but White controlled public and private colleges and universities generate revenue through "**slave labor**" scholarship recruitment of Black male students to carry a football or shoot a basketball.

**FACT:** Unlike other "people" White people intentionally chose to live in neighborhoods with decidedly low minority representation, and the majority of White people, **especially in Missouri**, will leave, typically called "**White Flight**," rather than interact with minorities. For the most part, White people are not as likely to "accept" minorities living in their neighborhoods; conversely, minorities are more likely to "accept" White people living in their neighborhoods. *Source: <http://mappingdecline.lib.uiowa.edu/map/>*

# WHITE PRIVILEGE FOREVER!?

If "diversity" means "variety," then diversity is extremely rare in Missouri's education, employment, and government.

**When it comes to justice, why do so many White people consistently demonstrate a selective memory?**

*"Why should they ask me to put on a uniform and go 10,000 miles from home and drop bombs and bullets on Brown people in Vietnam while so-called Negro people in Louisville are treated like dogs and denied simple human rights? - Muhammad Ali, 1967*

*"My ISIS is the police. I would tell young people: If you tell somebody to go across the world to fight for ISIS, they can put you in jail if you just talk about it. If you want to fight injustice, don't...you don't have to go around the world to find the ISIS mentality. Your ISIS is in America and you're likely to die over there, one way or the other. So if you're going to die, die making your home safe. My home is not threatened by ISIS. Mine is threatened by the police. The police are licensed to kill us, children, old people." Nebraska State Senator Ernie Chambers, March 2015*

Instead of addressing the fact that Blacks and Latinos are arrested at higher rates than their proportion in the population, and overrepresented in prisons and jails, Nebraska's White state senators used the White-owned and controlled local media to flood public opinion and demand an apology from Senator Chambers for telling the truth.

**Nothing changes. Nothing changes.**

**Again, not all White people are racist, but . . .** consider the extremely robust history of racist atrocities against Native Americans, such as the Sac and Fox Nation of **Missouri**. In fact, learn more about how the U.S. continues to sarcastically and "humanely" treat sovereign Native People by watching the "TED" talks video by Aaron Huey. Plus, to manage the "Latino" issue, shouldn't you consider **Missouri's** 2008 constitutional amendment designating English as the official language of Missouri as a foretelling of the same "English only spoken here" treatment of Asian-Americans prior to and during World War II?

**FACT:** Since 2007, **Missouri** has held the 1st or 2nd, highest Black homicide rate in the U.S. *Source: Violence Policy Center Report; FBI; Department of Justice.*

**FACT:** Incarceration rate of Black males in South Africa under apartheid (1993): 851 per 100,000 Black males

**FACT:** Incarceration rate of Black males in the United States during President George Bush's administration (2003): 4,919 per 100,000 Black males

**QUESTION:** What does it mean that the leader of the "free world" locks up its Black males at a rate 5.8 times higher than the (formerly) most openly racist country in the world? *Source: Prison Policy Initiative / <http://www.prisonpolicy.org>*

**In the United States, White privilege defines all rules and all exceptions to the rules.** Consequently, it's ridiculous for Black people and other minorities (and women) to expect egalitarian treatment when the concept of ". . . all men are created equal" has never, never ever existed in any aspect of governance of this country. **However, there is a fair and just solution.
