Congratulations on your election or re-election to the Omaha City Council!

As you know, whether required by law or not, it's a routine occurrence for an elected official to present a State of the "Electorate" address. In this regard, and beginning immediately after your 100<sup>th</sup> day in office, CTI22 will provide each City Council representative - at no expense, with 30-minutes of broadcast time to present a "State of the (YOUR) District" address. You can broadcast, "live" from the CTI22 studio, or we can broadcast a pre-recorded tape/DVD. **Please take advantage of this opportunity to directly convey in your own unedited words your assessment of critically important issues to residents in your district, and to the overall electorate in metro Omaha.**

As you know, at CTI22, we uniquely established a standard to provide our diverse broadcast audience with immediate and regular access to elected officials. The immediate access we've enabled between our diverse broadcast audience and their elected officials has consistently proven to be a dynamic benefit to everyone! Here at Channel 22 [501(c)(3)], we consistently demonstrate a commitment to freedom of speech and diversity.

- Community Telecast, Inc. (CTI22), [IRS 501 (c)(3)] is the only minority-operated and minority-focused cable television company in the metro Omaha area and within 18 states. For our general operations we receive NO tax support from the federal government, State of Nebraska, or local government.
- We proudly recognize the achievements of and broadcast more original, Omaha-based programming for African-American, Latino, Native American, Asian, other ethnic groups, *and* more faith-based programming *than all other metro area TV stations combined*. No other print or broadcast media companies in metro Omaha or Nebraska duplicate our services, or our scope of operations, or our immediate access to as great or as diverse an audience.
- CTI22 uniquely provides instant information to and from the diverse minority communities we serve through numerous "live" talk-back programs – programs broadcast throughout metro Omaha, and the Community Calendar, **public-accessible** to all of Omaha!
- We believe it's a good thing to inform and educate persons who ultimately wield ownership or control of every facet of American society - who are not minorities and typically unaware of achievements by minorities - that minorities share their same commitment to success!
