

Study Abroad: Sociology and Culture of Ghana West Africa

Often labeled Africa for beginners, Ghana welcomes people the same way the sun grabs hold of you the second after you step outside. With the geographic blessing of hundreds of kilometers of coast shared by beautiful beaches, ruined European forts, the poignant reminders of the country's importance as a way station for African slaves and the battered shacks of lively fishing villages, your study of Ghanaian culture will be rich and fascinating in this 15-day study abroad experience.
